Angela and Gerard-

I was off last week on vacation and have been out sick this week, but am looking for an update on the status of the Aerovox letter. I know Dawn and Cindy connected before the holidays and that DEP was making revisions to the letter. EPA remains concerned about further delays to the 21E schedule and its impacts to the Superfund cleanup schedule. I briefed my Division Director following our December meetings and have been asked to provide an update to him on this tomorrow. If we should schedule a call to discuss, let me know.

Hi Ginny,
Gerard and Dawn are in the process of reviewing it. I don't have a hard date at this point to provide you regarding when it will be issued.

Thanks,
